Anne: As we discussed, please complete the application and drop off at my office along with the \$50 application fee. I will, then, set up a meeting to discuss your application and event details with the Superintendent.

Please let me know if you have any questions as you are filling out the application. A pleasure to speak with you. Jen

Thank you very much. We'll be by early next week to drop off the permit. I think we might be able to restrict our use of open flame to two candles held by careful grown-ups.

Bless you.

Ms. Armstrong: I just left you a voicemail requesting that we meet either this afternoon or Friday afternoon to go over the permit for your event on May 23, 2015. I apologize for the late notice in requesting to meet with you today. I just put the finishing touches on the permit a few hours ago. Unfortunately, I am out of the office
